Hello Gillies,

Well, Thanksgiving is upon us. Although things are different, I am very grateful for my Gillies friends! AND I'm grateful for the many ways Gillies are continuing to support Gilcrease and Tulsa. Gillies are presenting monthly Speaking of Gilcrease programs throughout the Tulsa area, sharing Artists of Gilcrease at the Museum's Second Sunday Spotlight Series, and finishing up an OLLI course "Exploring Themes Within the Gilcrease Museum Collections." A few Gillies are greeting visitors weekly at the Rt. 66 Visitors Center, while others are helping at HCAR or finishing up packing and organizing. Some Gillies are enjoying the outings organized by our Travel Committee and many of you are reporting distance and/or online learning experiences. How do I know this? VOLGISTICS! It is still important to record your hours. This is the best evidence we have to document our service and continuing education accomplishments. These statistics are shared regularly at Gilcrease Board of Trustee meetings and on request for various reports. So please – regularly record your hours. Three Gillies have volunteered to assist in HCAR in cleaning and caring for materials in the Archives. One more Gillie is needed to complete the team and begin training. If you are interested in learning more about this opportunity call Tom Duncan - (918)845-1468. Thank you.

Wishing you all a lovely Thanksgiving.
