Sacred Rain Arrow,  
i stand among white Nite Sunflowers  
& morning glories and i recall you  
poised outside the entrance  
of the Gilcrease Museum  
as I greeted first graders  
ready for the "first visit<sup>re</sup> tour"  
to the Museum  
Along with other docents  
& their teachers & volunteers  
~~when~~ you stood in the back ground  
as we led them  
through the front doors.

Sacred Rain Arrow,  
i recall you being  
the meeting place  
for Garden Towers  
with blue stemmed grasses  
& coneflowers  
ready for curious eyes.  
i have seen your grand  
gesture meet the summer blue sky  
& stand in the snow of winter.  
i think of you now  
as they strap you up  
to be lifted and placed  
Some where else.  
i think of you  
as i sit in Hannah's garden.  
You'll remain with me  
until i lay eyes on you again.
