

Finding VicNet (Volgistics) on the iPhone

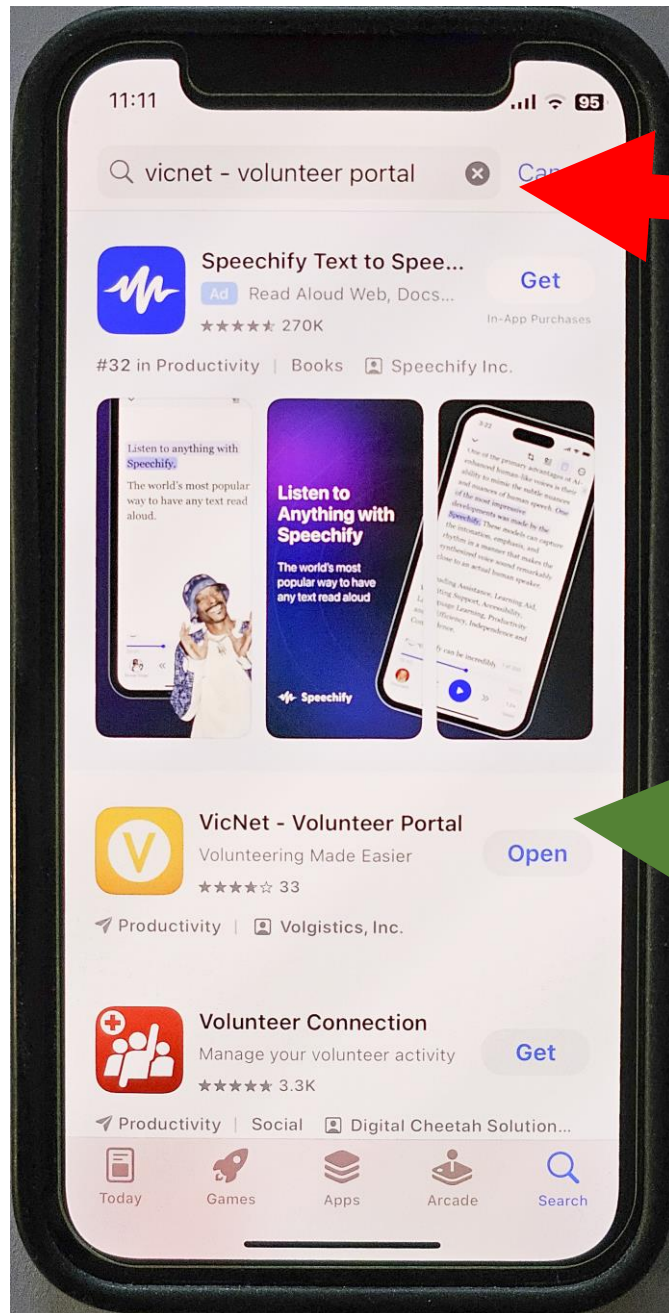

Locate the “App Store” icon on
your iPhone

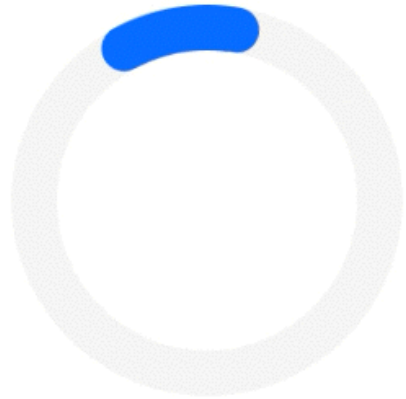

Click "Search" at the bottom right

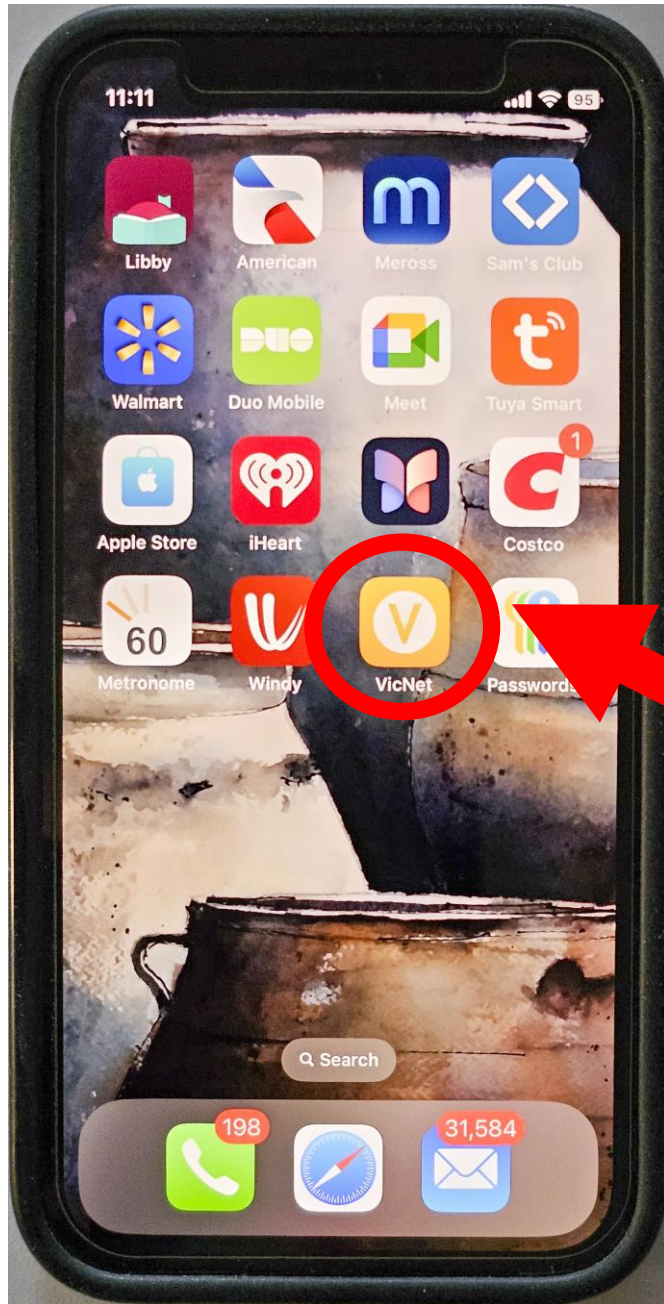

**Type in your search for
VicNet in the box at the
top.**

**The App Store has found
the VicNet App**

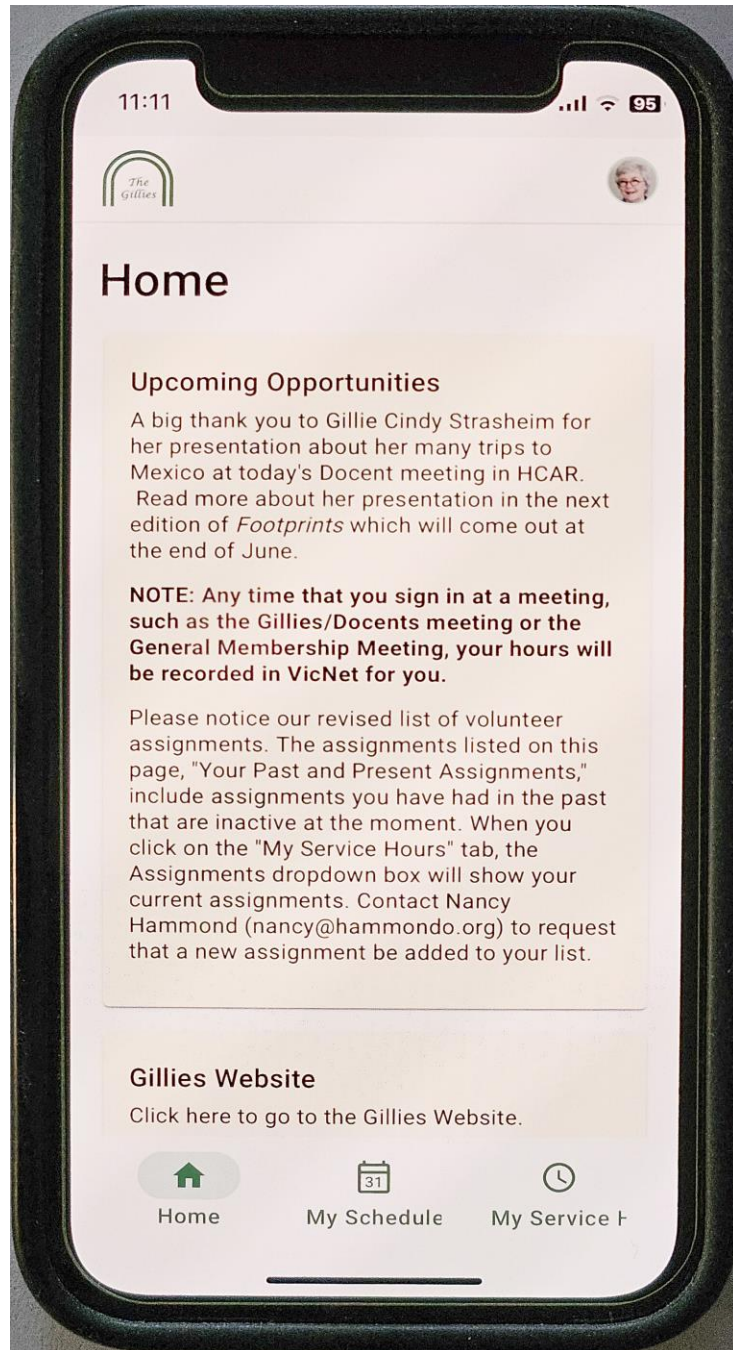

Tap on “Get”

**Then you’ll see this
rotating icon**

**When complete – you'll find the
VicNet icon at the end of your
other apps**

Once you have the app on your phone, entering hours is the same for either Android or iPhone!

Just tap “post”

The screenshot shows a mobile application interface for 'The Gillies'. At the top, the status bar displays the time 11:12, signal strength, and a 95% battery level. The app header includes the 'The Gillies' logo and a user profile picture. The main section is titled 'My Service Hours' and 'Post Service'. It contains a form with the following fields: 'Date of Service*' with the value '12/31/2024' and a calendar icon; 'Hours' with '2 hr' and '0 min'; 'Assignment*' with a dropdown menu showing 'Docent - Meeting/Lead' and 'Docent/Study/Project/Training'; and 'Miles Driven'. A green 'Post' button is located at the bottom of the form. A large red arrow points from the right side of the screen towards the 'Post' button. Below the form is a section titled 'Totals and Statistics'. The bottom navigation bar has three icons: a house for 'Home', a calendar for 'My Schedule', and a clock for 'My Service H'.
